

NATIONAL COSMETOLOGY PRACTICAL EXAMINATION

CANDIDATE INFORMATION BULLETIN

PLEASE RETAIN THIS BULLETIN FOR FUTURE REFERENCE

This bulletin contains important information regarding the NIC National Cosmetology Practical Examination content and administration. Please review all information carefully.

IMPORTANT INSTRUCTIONS

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination.
- Candidates are required to bring their own kit with sufficient quantity of supplies in sanitary condition. This includes the required implements in proper working order, and protective drapes. The kit must be kept closed except when removing or replacing materials for a particular service. The kit will be used during the examination as dry storage and is considered part of the work area.
- All examinations are administered in a testing environment. Candidates should bring a container of water if needed for any section of the examination. Candidates may bring a thermos of hot water if desired. All water and their containers must be taken with the candidates and may not be disposed of at the testing facility.
- Candidates are evaluated at all times. Continue demonstrating until you have completed the entire section.
- Candidates will be given 10 minutes for client protection and to set up the general supplies that they will use throughout the examination.
- Candidates will also be given 2 minutes to set up the supplies for each section of the examination.
- The verbal instructions will be read twice for each section of the examination. Each examination section has a maximum time allowance. Once you have completed all tasks in the section please step back to indicate that you are finished. In the event that all candidates complete the section before the time has elapsed the examiners will proceed to the next section of the examination.
- Candidates must follow all appropriate public protection and infection control procedures during all phases of the practical examination that will ensure the health, safety, and welfare of the public. In the event of a blood spill candidates will be expected to follow the NIC Health and Safety Standards. Failure to do so may result in your dismissal from the examination.
- Talking with other candidates or the examiners during the examination is strictly prohibited. Doing so will result in your dismissal from the examination and a report of your actions to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the National Practical Examination. If you have an emergency situation please ask to speak with the examination coordinator.
- Chemicals for Chemical Waving, Hair Lightening, Hair Coloring, and Chemical Relaxing will be simulated.
- Manufacturer's labels are required on all disinfectants and sanitizers.

MODEL OR MANNEQUIN(S)

Depending on the state, candidates will either use a live model or mannequin head(s) and/or a mannequin hand(s) for the examination.

** Please refer to State guidelines.*

*If your state permits a live model:

Models must be at least 15 years of age and cannot be licensed or a student studying in this field. Models must be present with the candidate at the beginning of the practical examination. The model must present a valid driver's license or State ID card for admittance to the examination. The model must be appropriate for examination purposes. The model must agree to submit to all services in the practical examination. Models may not participate in any way during the examination. Models are not permitted to talk to the candidate or examiners at any time during the examination.

*If your state permits a mannequin head(s):

If you are required to bring a mannequin head(s), it is the candidate's responsibility to appear at the practical examination with their mannequin head(s).

Mannequin heads that have been purchased presectioned indicating the sections by various colors and/or notches are NOT allowed during any part of the practical examination.

*If your state permits a mannequin hand(s):

Candidates are required to bring a mannequin hand(s) for the practical examination. Mannequin hands with digital fingers (trainer hands) are **NOT** permitted during the examinations. Prior to reporting to the examination candidates **MUST** apply a set of nails to the mannequin hand. The artificial nails must cover the entire nail bed of each finger.
